

Mansi More

Third Year IT Engineering Student

Email: mansi.more@email.com

Location: Pune, India

SUMMARY

Motivated IT engineering student with strong interest in backend development and AI-powered systems. Experienced in building scalable APIs, authentication systems, and AI-driven career tools.

SKILLS

JavaScript, Node.js, Express.js, REST APIs, JWT Authentication, MongoDB, Git, Postman, Role-Based Access Control, API Security

PROJECTS**AI Career Coach Platform**

Built a full-stack AI Career Coach platform using Node.js, Express, and MongoDB. Implemented JWT-based authentication with role-based access control. Designed mentor-student workflows including mentor approval and active mentorship. Integrated AI-powered resume analysis and JD-based skill gap analysis. Implemented secure chat tied to active mentorships.

EDUCATION

Bachelor of Engineering in Information Technology

Savitribai Phule Pune University

Expected Graduation: 2026

INTERESTS

Backend Engineering, AI Systems, Career Technology, Scalable Architectures
